## Practice protocol for video consultations: Downloadable Word document

This practice protocol can be downloaded and adapted for use in your practice. It covers organisation and set-up, patient inclusion and exclusion criteria, advice on conducting online consultations and a consultation checklist

You can read more about [setting up a Skype consultation service here](#).

Click to download: Example practice protocol for Skype or Video consultations with patients in their own home or a nursing/care home

This protocol is taken from the book *Digital Healthcare: The Essential Guide* by Dr Ruth Chambers, Marc Schmid and Jayne Birch-Jones, priced £24.99 and published by Otmor Publishing.

This material is copyright to Dr Ruth Chambers, Marc Schmid and Jayne Birch-Jones who grant permission for general practice teams/clinicians to adopt or adapt the resource, taking professional ownership for doing so.
